Board Report, Patti reported that the board continued to discuss future speakers & the 2011 Golf Tournament. Patti reported that the Garlic Festival preparations are coming along, but we have only received one sponsorship for the Festival as of today. We have been given the specifications from the City for the Garlic Festival banner that will be put across Glencoe reminding everyone of the upcoming event. The sign on Hwy 26 will be put up before the 4<sup>th</sup> of July weekend. Don's retirement party will be June 28<sup>th</sup> at the Jessie Mays. The Garlic Festival storage shed has been broken into. A police report has been filed with the City of North Plains Police department. We will be ordering a replacement door for the shed; nothing was taken from the shed.

City Update: Blake Boyles reports that the forms for the new spire bases have been poured, the cement will need to set up and cure then the form will be removed. The welcome sign still needs to have a few words added to it. The reason it is taking so long for the project to be finished is because Baker Rock, where the asphalt comes from has broken down. The new trees will be planted along Glencoe next week.

Dons City update: The City Council is recruiting Don's; replacement two top candidates have been chosen and will be having their background checks done. Contract and approval from the City Council should be done by June 2. Don will be done on June 30th

The Guest speaker was Morgan Anderson from Intel; she is a long time employee of Intel. She gave us a great insight into the different areas of the business and the expansion project.

Door Prize Drawing: Stewart King of Tri-star Properties was the name drawn, the pot was \$125.00 and Stewart was in attendance to receive his winnings.

Meeting adjourned at 12:54
